## Why Amani

Amani for Landlords

Property owners, Developers and hotels stand to gain:

- Imagine a world free from the anxieties of dealing with multiple agents and the constant fear of encountering fraudulent ones. **Amani eliminates the middleman, connecting you directly with trustworthy landlords, ensuring a safe and secure rental experience.**
- Imagine the ultimate stress-free apartment hunt: **browsing through a user-friendly platform, discovering your dream home, and contacting the landlord directly with our in-messaging app.** No need to worry about

shady agencies or hidden fees. Just a seamless, secure transaction that leads you to your perfect living space.

- Imagine escaping the cycle of paying endless agency fees, only to be disappointed by unlivable apartments. **Our platform connects you directly with landlords, eliminating the middleman and ensuring you find your dream home without the risk of unpleasant surprises.**

## ***And if you're a Land lord reading this...***

- Imagine never chasing after rent payments again. **Amani automates rent collection, ensuring you receive your money on time, every time.**
- Imagine being able to **preselect the type of tenants you want, while our platform filters out those "funny" ones** with a history of trouble. How peaceful would your life become? No more dealing with unreliable tenants, just peace of mind knowing you've found the perfect fit for your property.
- Imagine being able to list your property up for sale without the headaches of agency. Amani simply provides you with a pool of buyers looking to purchase their next home.
