Stop Running Your Laundry Business the Old Way

Primary Text:

Attention Laundry Business Owners...

Your business is leaking money — and it's not because of your prices...

It's the missed orders...

The late deliveries...

The confusion that happens when everything runs on paper and memory...

You're not running a bad business — you're just running it blind.

...and that's exactly why WashTrack exists!

✓ Complete Order Control – Track every order from drop-off to delivery without confusion.

✓ Know Your Numbers – See your daily and monthly revenue in one clean dashboard.

✓ Accurate Item Tracking – Log each customer's items and follow them through every stage.

Run your laundry business with confidence — not chaos.

Run Your Laundry Business the Smart Way in 2026

Primary Text:

Attention Laundry Business Owners...

Running a laundry shouldn't feel like chaos.

One minute you're sorting clothes, the next you're searching for lost orders or calculating revenue by hand. It's tiring — and it slows your business down.

That's why we built WashTrack — a simple app that helps you manage everything in one place.

From tracking orders to monitoring your daily income, it's designed to make your workday smoother and your business more organized.

Here is how WashTrack transforms your business:

- ✓ Complete Order Control – Track every item from drop-off to delivery.
- ✓ Revenue Insights – See your daily and monthly profits at a glance.
- ✓ Expense Tracking – Know exactly where your money goes.
- ✓ Smart Customer Management – Keep all customer info in one place.
- ✓ And much more...

Make laundry management simple, smart, and stress-free.

All-in-one laundry management app — track, manage, and grow

Primary Text:

Attention Laundry Business Owners,

Running a laundry shouldn't feel like chasing chaos...

But between paper notes, missed payments, and customers calling every hour — it's easy to feel overwhelmed.

That's why we built WashTrack — the simple, all-in-one app that helps you run your laundry business without the stress.

With WashTrack, you can:

- ✓ Track every order from drop-off to delivery
- ✓ Know your daily revenue in seconds
- ✓ Log each customer's items with accuracy
- ✓ Record expenses and payments easily

Everything stays in one clean, organized dashboard — so you spend less time fixing mistakes and more time growing your business.

Make laundry management effortless.

Every Expense Tracked — All In One App

Primary text:

Attention Laundry Business Owners...

Ever wonder where all your money goes?

Between supplies, staff payments, and daily expenses, it's easy to lose track — and even easier to lose profit.

That's why WashTrack helps you record every expense in one clean dashboard.

See exactly where your money goes, reduce waste, and make smarter decisions that grow your business.

Run your laundry with confidence — not confusion.

No More Missing Items — Ever Again

Primary Text:

Attention Laundry Business Owners...

What if your staff forgets a customer's shirt?

That single mistake can cost you a loyal customer.

With WashTrack, every item is logged automatically — so nothing goes missing, and every customer gets exactly what they dropped off.

Run your laundry with confidence, not confusion.

- ✓ Track every order and item
- ✓ Avoid costly mix-ups
- ✓ Keep customers coming back

Make laundry management effortless.
